The schedule will state the times within which articles will be required to be delivered; and where the printed schedule is not used the periods stated in it for deliverice must be copied in the bids. All the articles which may be contracted for must be delivered at such place or places, including drayage and cartage to the place where used within the navy-yards, "spectively, for which the offer is made, as may be directed by the commanding officer thereof; and, all other things being equal, preference will be given to American manufacture. No article will be received after the expiration of the period specified in the schedules for the completion of deliveries, unless specially authorized by the department.

It is to be provided in the contract, and to be distinctly understood by the biddors, that the amount and number of articles enumerated in classes headed "miscollaneous" are specified as the probable quantity which may be required, as well as to fix data for determining the lowest bid; but the contractor is to furnish more or less of the said enumerated articles, and in such quantities, and at such fines, as the bursais or consumination may require; such increase, however, not to exceed one-third of the quantities stated, (and requisitions sent through the post office shall be decimed sufficient notice.) during the fiscal year ending 30th June, 188; and whether the quantities required be more or less than those specified the prices shall remain the same.

All the articles under the contract must be of the best quality, delivered in good order, free of all and overy charge or expense to the government, and subject to the impaction, count, weight, or measurement of the said navy-yard, and be in all respects assisfactory to the commandant thereof. Bidders are referred to the yard for plans, specifications, or samples, and any further description of the articles. Contractors for classes headed "miscellaneous," who do not reside not their proposals an ag

within thirty days after the presentation of bills, in triplicate, duly vouched and approved.

No part of the per centum reserved is to be paid until all the rejected articles offered ouder the contract shall have been removed from the yard, unless specially authorized by the department.

It will be significated in the contract that, if default shall be made by the juriliant of the first part in delivering all or any of the articles mentioned in any class bid for, of the quality and at the times and places above provised, then and in that case the said parties will sorfeit and pay to the United States a sum of money not to exceed twice the amount of such class; which may be recovered from time to time according to the act of Congress, in that case provided, approved March 3, 1843.

The saretics must sign the contract, and their responsibility contract to by a navy areast.

It is to be provided in the contract that the bureau shall have the power of annuling the contract, without loss or damage to the government, in case Congress shall not have made sufficient appropriations for the articles named, or for the completion of works estimated for, and on which this advertisement is based, and shall also have the power to increase or diminish the quantities named in the classes not headed "miscellaneous" in the achedule wenty-live per cent.

Persons whose offers shall be accepted will be notified by letter through the post office, which notice shall be considered sufficient; and, if they do not enter into contract for the supplies specified within fifteen days from the date of notice from the bureau of the acceptance of their bid, a contract will be made with some other persons or persons, and the guarantors of such defaulting bidder will be held responsible for all delinquencies.

All offers not made in strict conformity with this advertisement will, at the option of the bureau, he rejected.

Those only whose offers may be accepted will be notified, and contracts will be ready for execution as soon thereafter as may be practicable.
